May 2003

Dear Firms requiring tire disposal permits:

Enclosed is a bond form and an application for a Tire Disposal Permit. Both must be completely filled out before a Tire Disposal Permit is issued to your organization. The Tire Disposal Permit only allows your firm to dispose of waste tires at the I-95 Complex. If your firm wishes to dispose of other materials, this permit and bond may be modified to reflect changes. However, please allow seven (7) to ten (10) days for modification.

A bond is required in order to use the facility. The bond must be dated from the day it is issued through June 30, 2004. The minimum bond amount is \$10,000 per vehicle as stated in **Section 109-6-2 (b) of Chapter 109 (Solid Waste) of the Fairfax County Code**. You may obtain your bond from a bonding or insurance company.

- Mail your Tire Permit Application and original bond to:

Division of Solid Waste
Disposal and Resource Recovery
12000 Government Center Parkway
Suite 448
Fairfax, VA 22035-0059

OR

Bring the completed application and original bond to:

I-66 Permit Office
4618 West Ox Road
Fairfax, VA 22030

OR

I-95 Permit Office
9850 Furnace Road
Lorton, VA 22079

Office Hours: Monday – Friday from 8:00 a.m. to 4:30 p.m.

Please make sure that the application and bond are signed by an authorized agent of your company.

Please be advised that Tire Permits expire annually on June 30, and must be renewed during the months of May and June in order to comply with County Code and to continue to use the I-95 Complex.

County Billing Process

All persons disposing of tires through this permit shall be billed for the disposal fees owed for use of the County facilities. Any person failing to pay the account when due shall incur a penalty of ten percent (10%) or \$10 dollars (\$10) whichever is greater. Interest at the rate of ten percent (10%) from the first day following the day the amount is due may be collected upon the principal of all such accounts. An account shall be deemed paid when payment is received by the Division of Solid Waste Disposal and Resource Recovery.

If you have any questions regarding these procedures, please contact Ms. Susan Davidson or Ms. Dynita Glenn at (703) 324-5230.

Very truly yours,

DEPARTMENT OF PUBLIC WORKS
& ENVIRONMENTAL SERVICES

Jeffrey M. Smithberger, Deputy Director
Division of Solid Waste
Disposal and Resource Recovery

APPLICATION FOR TIRE DISPOSAL PERMIT

FISCAL YEAR 2004

The Division of Solid Waste Disposal and Resource Recovery is now accepting deliveries of waste tires from non-County collectors at the I-95 Complex in Lorton, Virginia. In order to obtain a Fairfax County Disposal Permit for tires, a bond from an insurance or surety company is required. The amount of the bond will vary from customer to customer depending on the number of tires disposed per billing cycle. Information concerning the billing cycles, terms of payment, and method of computing the amount of the bond can be found in the letter accompanying this application. Please read the letter carefully and follow the instructions to estimate the amount of bonding which is required from your company.

The Director of the Division of Solid Waste Disposal and Resource Recovery, Deputy Director, or the designee, will authorize the setting of specific bond amounts.

The undersigned hereby makes application for a permit to dispose of tires at the I-95 Complex. It is agreed that the disposal of tires will be conducted in accordance with the rules and regulations of the facility and Fairfax County. It is also agreed that the undersigned will pay all disposal charges accrued through use of a Fairfax County operated or associated disposal site. In the event of scale breakdown, utilization or estimated gross weights may be instituted.

Applicant understands and agrees to abide by rules and regulations of the designated disposal facilities.

Applicant's Signature shall affirm his/her understanding of these requirements and is an authorized representative of the business:
